“Create, Be Great! Family Craft Club”. This program will run Saturdays from January 23 to March 5, 10:30 -11:30 am at St. Peter School. Crafts include juggle balls, cornstarch dough, and pop up cards for Valentine’s Day. Parents must accompany their child(ren). This program offers snacks, crafts and story time fun for children of all ages.

After school weekly EAL program - the Association is offering its warm welcome with a FREE program to those who are getting accustomed to culture and language that is unique to Canada. This 8 week afterschool EAL program at Coronation Park School will explore Canada through craft and language activities; all with an emphasis on FUN. January 28 - March 24, 3:30 - 5pm. (no session during February break).

Happy Scientist Saturdays - no “mad scientists” allowed! For boys and girls aged 10 -14. Explore some ooey goeey science fun and facts. February 27, March 19 and April 16, 1 - 3 pm, Gladys Mc Donald School.

Celebrate Family - join the Association as we celebrate what makes our community so great: the families! Saturday, February 6, 1 - 3 pm. **Includes storytelling and balloon sculpting by Pat Roth Entertainment** as well as snacks & cocoa. Gladys McDonald School.

Family Block Party -Sunday, April 10, 1 - 3 pm. Coronation Park School. This is not your typical block party, no hot dogs or hamburgers out on the street at this one. This is a LEGO-like party for young & old alike. All activities will be themed around those famous coloured building blocks.

Mother’s Day Tea -Saturday, May 7, 1 - 3 pm at Coronation Park School. Please join us for an afternoon of tea, cookies and a take home gift created by the children who attend.

Watch for information on our annual Family Fun Day in June!
